### 4.2.3 Non-referred

- de Lacy, Paul (2007). Featural morphemes are coalescing segments. Presentation, Meeting of the Network on Morphological Exponence, University of Leipzig, Germany.
- de Lacy, Paul (1999). Haplologizing reduplicants. *Rutgers-UMass Joint Class Meeting 4*, Rutgers University.
- de Lacy, Paul (1998). Positional markedness in Niuafu’ou. *Rutgers-UMass Joint Class Meeting 3*, University of Massachusetts Amherst.

## 5. Teaching

### 5.1 Supervision

#### 5.1.1 Doctoral Dissertations

##### 5.1.1.1 Chairperson

Lee, Seunghun (2005 onwards). *The interaction of tone and laryngeal features*. Rutgers University. (Co-chairperson with Prof. Akinbiyi Akinlabi).

Gürtler, Katherine (2007). *Size restrictions in prosodic morphology*. Doctoral dissertation, University of Cambridge.

##### 5.1.1.2 Committee Member

Merchant, Nazarré (2004-ongoing). On the learnability of allomorphy. Doctoral dissertation, Rutgers University. (Chair: Bruce Tesar).

Élias-Ulloa, José Alberto (2005). *Theoretical aspects of Panoan metrical phonology: Disyllabic footing and contextual syllable weight*. Doctoral dissertation, Rutgers University. (Chair: Alan Prince).

Jones, Mark (2004) *The phonetics and phonology of definite article reduction in northern English dialects*. University of Cambridge. (Chair: Francis Nolan).

Astruc-Aguilera, Luïsa (2004) *The intonation of sentence-external elements*. University of Cambridge. (Chair: Francis Nolan).

#### 5.1.2 Qualifying Papers

##### 5.1.2.1 Chairperson

O’Keefe, Michael (2006). Area identity: A theory of harmony. Qualifying Paper, Rutgers University.

Koak, Heeshin. (2006). Allomorph selection of Korean nominal markers. Qualifying Paper, Rutgers University. (Co-Chairperson with Prof. Akinbiyi Akinlabi).

Murray, Sarah. (2006). Selectivity and voicing assimilation. Qualifying Paper, Rutgers University. (Co-Chairperson with Prof. Alan Prince).

##### 5.1.2.2 Committee Member

Altshuler, Daniel (2006). Filling the gap: Quantity-insensitive iambs and the typology of feet. Qualifying Paper, Rutgers University. (Chair: Alan Prince).

#### 5.1.3 Master of Philosophy (MPhil) Dissertations: Chairperson

Bembridge, Steven (2004). *The Initial State in L2 acquisition*. University of Cambridge.

Pullman, Thomas (2004). *An optimal floating feature approach to Irish Mutation*. University of Cambridge.

Chapter, Joanne (2003). *The development and realisation of the Common Slavonic vowel jat’ in South Slavonic languages: A diachronic study in terms of Optimality Theory*. University of Cambridge.

Ketner, Katherine (2003). *The Czech mobile ‘e’: an Optimality Theoretic approach*. University of Cambridge.

Schulze, Jan (2003). *An Optimality-Theoretic account of the development of Old High German Umlaut*. University of Cambridge.

### 5.1.4 Undergraduate Student Supervision – Independent Study

Al Ghamdi, Ahmed (2006). The phonetics and phonology of Riyadh Saudi Arabic intonation. Rutgers University.

Rafferty, Justin (2006). Absolute neutralization in German. Rutgers University.

### 5.2 Courses

C=taught at the University of Cambridge (UK)

M=taught at the University of Massachusetts Amherst

U=Undergraduate; G=Graduate.

*Italics*= courses I created or redesigned

### 5.3 Other Teaching Related Activities

- Participation in Graduate Inter-university Joint Class Meetings (Rutgers-University of Massachusetts Amherst-Johns Hopkins Joint Class Meeting) 2005, 2006

## 6. Grants

### 6.1 External

2007-2010: Member, *Network on Exponence*. PI: Jochen Trommer, University of Leipzig. Award: €44,000. Contribution: 6<sup>2</sup>/<sub>3</sub>%.

### 6.2 Internal

2006-7: University Research Council Grant, Rutgers the State University of New Jersey. "The linguistics of glossolalia". Award: \$2500.

## 7. Service

### 7.1 To the field

#### *Online archive*

2001-ongoing: the *Rutgers Optimality Archive* – the major online repository for work in Optimality Theory (<http://roa.rutgers.edu>). Roles: Programmer; administrator with Alan Prince and Eric Baković.

#### *Member of Editorial Board*

2006-2009: *Natural Language and Linguistic Theory*. Kluwer Academic Publishers.

#### *Reviewer for grant proposal*

2004: Reviewer for the *National Science Foundation* - grant proposal review for the Endangered Languages committee.

#### *Reviewer for books/book series*

2007: Consultant for Blackwell Publishers on their proposed linguistics web portal and encyclopedia.

2003: Consultant for Equinox Publications on the establishment of their *Advances Optimality Theory* book series.

2004: Reviewer for Blackwell Publishing company: ESL linguistics book.

#### *Reviewer for book chapters*

2006: Reviewer for John Benjamins Publishing company - chapters from two books.

2004: Reviewer for *Frankfurter Afrikanistische Blätter*: Anyanwu, R-J. *Stress and Tone - the African experience*. Koln: Rudgiger Koppe Verlag.

#### *Reviewer for journals*

2006-ongoing: Reviewer for *Journal of the International Phonetics Association*.

2006-ongoing: Reviewer for *Zygon: Journal of Religion and Science*.

2006-ongoing: Reviewer for *Natural Language and Linguistic Theory*.

2003-ongoing: Reviewer for *Lingua*.

2002-ongoing: Reviewer for *Phonology*.

2000-ongoing: Reviewer for *Linguistic Inquiry*.

#### *Reviewer for conference submissions*

2006: Reviewer for *Linguistic Symposium on Romance languages* conference.

2005: Reviewer for the *Chicago Linguistics Society* conference.

2003-ongoing: Reviewer for the *North Eastern Linguistics Society* conference.

### 7.2 To the linguistics department

2007-: Director of the Rutgers Phonetics and Fieldwork Laboratory.

2005-: Editor of the Linguistics department monthly newsletter:

<http://ling.rutgers.edu/snarl>

### 7.2.1 Positions of Responsibility

9/2005-ongoing: Faculty Webpage liaison.

9/2005-5/2006: Colloquium organizer

9/2004-12/2004: Acting Computer Liaison

#### *University of Cambridge:*

2003-4: Director of the Linguistics Master of Philosophy programme.

2003-4: Editor-in-chief and founder of *Cambridge Occasional Papers in Linguistics* series.

2002-3: Linguistics Doctoral Student Coordinator.

### 7.2.2 Committees

2007: Member, Search committee for permanent faculty position.

2007: Member, Search committee for visiting faculty position.

2007: Member, Grant Incentive/Reward Committee

2007: Exploratory committee for Open Days.

2006-7: Member, Graduate Admissions Committee

2004-5: Chair, Safety, Beautification, and Graduate Space Allocation Committee

#### *University of Cambridge*

2003-4: Faculty IT and Computing Committee

2003-4: Linguistics representative on the Faculty Degree Committee

2003-4: Linguistics representative on the Graduate Matters Committee

2003-4: Linguistics Staff-Student Liaison Committee

2002-4: Departmental computer liaison

2002-3: Linguistics representative on the MML Library Committee

2002-3: Linguistics representative on the Faculty Matters Committee

## 8. Fieldwork

2005: Human Subjects Research Certificate, Rutgers University.

Maori (Subgroup: Polynesian<Austronesian)

July 2000            Stress, intonation, and effects of focus on prosodic structure.  
Worked with two native speakers (Northland dialects) in New Zealand.

February 1999      Predicate nominals, equatives, fronting strategies.  
Worked with one native speaker (Eastern dialect).

April 1997            Word stress.  
Worked with one native speaker (Eastern dialect) in New Zealand.

November 1996      Vowel quality, dissimilation.  
Worked with one native speaker in New Zealand.

Results of my fieldwork have been reported in many of my publications.

All work involved making recordings, designing elicitation strategies, and a variety of post-elicitation machine analyses.

## 11. Languages

French (Modern) – speaking and reading knowledge.

Greek, Classical and Koine – reading knowledge.

Māori – speaking and reading knowledge.

Old English – reading knowledge.

C++, Delphi ≥2, Visual Basic ≥3, PHP ≥3, Javascript, Java, Perl, HTML, DHTML, XML ≥1.1

Platforms and APIs: Windows 95-XP; Direct X 5-, MS Speech API 4-, Winsock 2-.

Databases: BDE, ADO; MySQL, Paradox, PostgreSQL, DBase, Access.

2006-ongoing: Programming for the *Handbook of phonology* website

(<http://handbookofphonology.rutgers.edu>).

2001-ongoing: Programming for the *Rutgers Optimality Archive* (<http://roa.rutgers.edu>), an on-line archive for papers written in Optimality Theory.

9/1998-8/2000: Computer technician at the University of Massachusetts Linguistics Department.
